MC+ MANAGED CARE

The information contained in this bulletin applies to coverage by the MC+ fee-for-service and Medicaid fee-for-service programs. The MC+ fee-for-service and Medicaid fee-for-service programs also provide coverage for those services carved out of the MC+ Managed Care benefit for MC+ Managed Care enrollees. Questions regarding services included in the MC+ Managed Care benefit should be directed to the enrollee's MC+ Managed Care health plan. Please check the patient's eligibility status prior to delivering a service.

2003 CPT AND HCPCS UPDATE

July 1, 2003, Missouri Medicaid will begin accepting the 2003 versions of the *Current Procedural Terminology* (CPT) and the *Health Care Procedure Coding System* (HCPCS). The 2003 procedure codes have an effective date of July 1, 2003.

Providers may begin billing the 2003 CPT or HCPCS codes with appropriate modifier(s) for dates of service on or after July 1, 2003. A transition period will be given to allow time to make necessary changes. Providers may bill the old code through September 30, 2003. Claims for dates of service on or after October 1, 2003 must be submitted using the new 2003 CPT or HCPCS codes and modifiers. Claims for dates of service prior to July 1, 2003 must be submitted using the old procedure codes and modifier(s).

Claims for both the old and new procedure codes must not be submitted for the same date of service for the same recipient during the transition period.

Changes that occurred as a result of the update include additions, deletions and replacement of procedure codes. See Attachment A.   Please refer to Physician's Bulletin Volume 25, Number 2 for additional codes.

Copies of the 2003 versions of the *Current Procedural Terminology* (CPT) and the *Health Care Procedure Coding System* (HCPCS) may be purchased from your local medical bookstore.

HEALTH CARE EXCEL (HCE) AND CLAIM ISSUES

When an inpatient claim is denied for reasons not associated with the actual certification from HCE, please contact DMS Provider Communications at 1-800-392-0938. HCE does not have claim specific information. When a denial is associated with an invalid Medicaid I.D. Number, please verify you have the correct DCN through the Interactive Voice Response (IVR) prior to contacting HCE.

OUTPATIENT LAB SERVICES

Outpatient laboratory services furnished by a provider outside of the hospital must be billed by the outside provider performing the services.   Under the Clinical Laboratory Improvement Amendments Act of 1988 (CLIA), all laboratory testing sites, as defined in 42 CFR 493.2, must have either a CLIA certificate of waiver or certificate of registration to legally perform clinical laboratory testing anywhere in the United States.   Claims from laboratories without CLIA numbers are subject to denial.
